

2022 Grant Application

Directions: Please review the grant questions below and submit your responses online. Paper applications will not be accepted.

Grant Program Questions:

1. What is your organization's purpose and history?
2. What is the nature and extent of the issue you plan to address?
3. How does your proposed effort relate to Blue Cares program goals? How does it coincide within our priority areas (Poverty/Food Insecurity, Health & Safety, Education & Mentorship, Equity & Inclusion)?
4. How has the population to be served previously been involved or will be involved in developing solutions?
5. Program objectives and evaluation:
 - Specific program objectives?
 - Evaluation criteria (what outcomes are desired for each objective)?
 - Evaluation methods for each program objective?
 - What information will you collect to monitor your progress in reaching the objective?
 - From whom will you collect the information and how often?
 - How will you collect it (survey, interview, test, etc.)?
6. What is the timeline of your proposed activities? (please keep within a one year timeframe)
7. Please list the names and qualifications of personnel responsible for program leadership. Please list all those who will be responsible for the programs implementation.
8. What is the estimated cost for the project, total annual budget of your organization, and the amount requested from Blue Cares?
9. Please include the name, address, phone number, and email address (if available) of the Executive Director (CEO, President) within your organization.
